

Treat staff and clients with something more meaningful this festive season with one of the three ASRC Catering gift-boxes.

This year we have three beautiful gift-boxes, responsibly sourced and thoughtfully created for our community.

100% of proceeds from each sale will go directly to support and empower people seeking asylum.

ASRC is helping a lot for me, so I can give my cooking experience, I have to say 'thank you' for everything because they are wonderful people. They never see colour, they never say 'who are you?' They treat equally."
